

## **Infection Control Annual Statement – March 2016**

### **PURPOSE**

This annual statement will be generated each year in March. It will summarise:

- Any infection transmission incidents and any action taken (these will have been reported in accordance with our Significant Event procedure)
- Details of any infection control audits undertaken and actions undertaken
- Details of any control risk assessments undertaken
- Details of staff training
- Any review & update of policies, procedures and guidelines

### **INFECTION CONTROL LEADS**

Mary Mungovan  
Practice Nurse

The Sandwell and West Birmingham CCG Infection Prevention and Control Lead is David Jones, Infection Prevention Nurse Consultant

**Sandwell Council House**  
**PO Box 2374**  
Freeth Street  
Oldbury  
B69 3DE  
0845 3527679  
07964 379225

### **SIGNIFICANT EVENTS**

In the past year March 2015 March 2016 there have been no significant events raised that related to infection control.

### **RISK ASSESSMENTS**

The annual risk assessment of the building was carried out on 08/3/2016 by Mary Mungovan the rooms remain in good working order we have to pay more

**attention to clinical rooms as we are using more locums than regular doctors so that the correct standards are maintained.**

**Waiting areas need the floors to be deep clean arranged with cleaning company to be done on Wednesday afternoons when the surgery is at the quietest.**

### **STAFF TRAINING**

David Jones Infection control nurse did a presentation for all staff clinical and non-clinical on 07/01/2016 which included up to date guidelines hand washing.

### **POLICIES, PROCEDURES AND GUIDELINES**

Policies relating to Infection Prevention and Control are reviewed and updated annually if appropriate. However, all are amended on an on-going basis as current advice changes.

We will aim to do more to share information with our patients and will therefore place a copy of this Annual Statement on our practice website and will notify patients of any seasonal outbreaks that they may need to be aware of via posters in the surgery and on our website.
